GOOD NEWS

The promotion of a university in St. Albert, started by our resident professor John Bakker, seems to be moving in a good direction. The Province of Alberta has purchased 400 acres of land east of the Indian School, which could be used for a college or university. Our Provincial Government has to be congratulated for this important decision, which we hope will be of great benefit to the Town of St. Albert. And Professor Bakker has to be thanked for his continuous promotion of this enormous project, which all of us hope will become a reality in the near future.

WHY?

Councillor Richard Fowler "walking out of the last council meeting" has disappointed many of our citizens. Richard Fowler is a strong believer in democratic rights in our society, and respects the opinions and beliefs of others quite strongly. The difference of opinion between the councillors regarding the forthwith Special Election in accordance with the Town and Village Act, on a few weeks waiting period for a vague possibility that the present legislature will add an amendment to the Town and Village Act permitting us to call a General Election, is not important enough to walk out of a council meeting, depriving council of a quorum. Councillor Fowler's view that the people of St. Albert have the right to vote for a complete council is a sound principle with which many of us agree. But unfortunately, the Town and Village Act calls for a Special Election forthwith (immediately), which, whether or not we like it, should be followed in any circumstances. Obedience to this Act is the only security that once again Council can work together as a whole.

What would be the future of Council if each councillor occasionally ignored part of the Town and Village Act because it didn't fit in with his political thoughts in certain circumstances? It would end in complete chaos, with no security in our society.

Before Councillor Fowler made his motion "to table the appointment of a Returning Officer", he stated that if his motion was lost, he would walk out, leaving Council without a quorum. His motion was lost in a tie vote. But why did Councillor Fowler leave the meeting? His lost motion didn't mean that Council would decide to have a Special Election. What was the sense in leaving at that time? Besides, how can a councillor state that if his motion is defeated "I will walk out"? Does this mean that in future, any councillor can leave the meeting if his motion is defeated? Councillor Fowler's warning to Council before his motion is a complete contradiction to his principles regarding democracy, and was also very unpleasant for his fellow councillors. As strongly as Councillor Fowler feels for the democratic rights of the citizens of St. Albert to have a General Election so should he feel for the democratically-voted decision of Council.

Notice of Temporary Road Bank - Sturgeon Heights Stage 5

Construction Area - Portions of Elm Road and Spruce Road

The construction of these roads was not completed by freeze-up time last fall. In order to protect the loamed asphalt base from heavy damage during the forthcoming Spring thaw, it will be necessary, at times, to close them completely to all vehicular traffic.

We regret any inconvenience this might cause but trust that everyone will cooperate in this measure of protection to town property.

JIM BYRNE'S

3rd. Anniversary Sale

Meeting on Monday March 22nd., 1965

In attendance:

Mayor John de Bruijn and the
Councillors Stewart, Fowler, Edgar.

Letter to Council reg. University in St. Albert

COUGILLOR FOWLER WALKED OUT

First on the agenda, former councillor J. DeBruijn took the oath of the office of Mayor for the Town of St. Albert. **Unfinished Business:** Regarding the town's water supply system, the staff have been requested, for the sake of information, to have on file a letter from the Canadian Underwriter Ass'n, dated March 1964. The letter pointed out that at that time the water supply system left something to be desired for good fire protection, due to increased population over the year 1959. Population is now over the 9000 mark and there still has been no augmentation of the water storage. It was noted that this fire safety need is in addition to the normal householder consumption increased requirements. No action in resolution form was taken, (the water reservoir money bylaw did not succeed in October's election)

Most of the committees and boards of council have been seriously affected by the recent unseating of mayor and three councillors. Councillor Fowler remarked that it would be impossible for the four now on council to fill all these vacancies and that surely these boards could continue a few months without council representation. The matter was tabled until after an election. Mayor Debruijn was appointed the town's representative to the Edmonton Regional Planning Commission.

Re Garbage Collection: The staff reported that due to complaints of residents the employees have been instructed

to use more discretion and pick up boxes of clean dry garbage but that kitchen garbage must be in covered garbage containers. A study will be made of a volume charge for collection of garbage from commercial establishments. This is now done in many cases on a daily basis at no charge other than normal taxes.

Appeals against decision of the Development Officer: Mr. P. Devine, 45 Gladstone Cres. appealed to council for permission to construct a basement suite. The area of Mr. Devine's home is restricted to one-family dwellings. Mr. Devine requires the suite for relatives in ill health and the suite is to be temporary, reverting to a rumpus room, should it no longer be required by his family. The staff were instructed to have the solicitor draw up an agreement stating that the suite not be used for rental purposes and should the property be sold the dwelling revert to one-family status. Permission also depends on no objections from Mr. Devine's Neighbors.

Mr. D. Bull proprietor of 'Deb's T.V.' applied to council for permission to utilize the dwelling at 28 St. Thomas St. as a T. V. repair shop and residence for a period of 5 years. Mr. Bull pointed out that he intends to replace the present structure with a completely commercial building housing a retail appliance outlet and accompanying repair service. He noted that the earliest his business growth could achieve this would be 3 years. Council did not want to

discourage any large developer from this downtown area and felt that 5 or 3 years was too long to be committed to the joint commercial and residential use. Mr. Bull was granted permission for one year with the agreement to be reviewed at the end of that year.

Permission was given to Mr. Streloff to construct an 11 suite apartment building on the corner of St. Vital and Mission Avenue. One resident has objected to the construction. Councillor Stewart voted against this resolution.

RODEO - 104 Mr. Don Sinclair, President of the St. Albert Kinsmen Club presented a brief regarding their forthcoming Rodeo. He informed council that 1) It is the intention of the Kinsmen Club of St. Albert to stage a Professional "Championship" Rodeo within the Town of St. Albert on the 18th and 19th of June, 1965.

2) We feel that an annual event of this type is in the best interest of the town in general because: (1) Publicizes the town. (2) Stimulates business. (3) Affords the citizens the opportunity to get behind a civic event with a well defined theme. (4) Provides a means for local organizations to raise funds for service.

He presented the budget for this big event saying, "In light of the foregoing and in view of financial support offered to the Chamber of Commerce in their promotion of "Civic Day" 1964 it is hoped that the Town of St. Albert will see fit to underwrite any financial loss that may possibly be incurred by Rodeo "104" to a maximum of \$3,500.00. **Swimming Pool:** A letter was received from the Swimming pool Committee recommending that a money bylaw for an enclosed pool be presented at the special election. Chairman Mr. R. Russell will be informed that the Local Authorities Board cannot authorize such a bylaw until the '65 budget itself has been approved and this cannot be done in time for the election.

Mayor and Council
Town of St. Albert,
Civic Center, St. Albert
Dear Sirs,

St. Albert and the Second Campus for the University

Mr. L. Wheatling, Secretary-Treasurer, requested information regarding the status of negotiations by the University Committee.

Briefly the situation is as follows: The town of St. Albert asked the Edmonton Regional Planning Commission for a report regarding the desirability of locating a University near or at St. Albert and secondly where exactly the campus should be located. When the first part of the report was nearly finished the Province of Alberta pur-

chased approximately 400 acres of land east of St. Albert, which could be used for a Junior College, a private University or as a second campus of the University of Alberta in Edmonton.

The Regional Planning Commission is now studying how the road, utility and land use plans can be adapted and coordinated with the land purchased by the Provincial Government. It appears that the 400 acres will be most suitable for the purpose of locating a higher institute of learning.

It was planned that after receiving the report from the Regional Planning Commission, the briefs to the University and the Provincial Government would be prepared.

There is no urgent action required until the above report is received by the town. I hope at that time to be able

to assist in this matter.

Yours very truly,

J.J. Bakker

Special Election Regarding Appointment of Returning Officer:

Councillor Fowler moved that this matter be tabled until the first meeting in April. Councillors Stewart and Edgar objected stating that the Town and Village Act instructed that an election be called forthwith. Councillor Fowler pointed out that there is a possibility of legislation amending the act allowing a general election. He went on to say he felt the people of St. Albert are entitled to a fully elected council. He then said that if his motion was lost he would walk out and, there being no quorum, no further action could be taken at that time. The motion was lost in a tie vote. Mayor DeBruin and Councillor Fowler for and Councillors Stewart and Edgar against. Councillor Fowler then left the meeting and, the result being no quorum, Mayor DeBruin declared the meeting adjourned.

for Councillors - but not for Mayor. 2. A Special Election will give us a Council of four elected Councillors, one appointed Civil Servant, and an appointed Mayor. We have already been given to understand that Mr. D. Edgar (the Municipal Affairs appointee) will resign after May 15th, at which time no election will be necessary to fill his seat - then leaving us with a Council of five elected Councillors from whose ranks we have chosen a Mayor.

It is not my intention to frustrate Town business. Mayor deBruin is aware that my services are available to him or Council and I am prepared to sit at Special Meetings of Council any and every night between now and April 12th, at the first regular meeting. Mayor deBruin has my one hundred percent support.

Council have not been definitely advised one way or the other as to the intention of the Government introducing an amendment to the Town and Village Act to permit a General Election and it is my feeling that as long as the Legislature is in session the possibility of an amendment remains unless we are advised otherwise. Should we be DEFINITELY advised between now and April 12th as to the Government's intention, there will be no reason whatsoever why Council cannot act according to that advice forthwith. A Special Election will receive my unqualified support in the event that there is absolutely no alternative.

STATEMENT FROM PROF. JOHN BAKKER

The Following Letter Was Sent by Prof. Bakker to the Council of St. Albert

March 23, 1965
Mayor and Council
Town of St. Albert
Civic Centre
St. Albert, Alta.

Dear Sirs, On February 25th, 1965, Judge J. L. Cormack declared the general election held in the Town of St. Albert on October 14, 1964 invalid since this election was held in violation of sections 138, 146 and 168 (from

continued on page 10

STATEMENT FROM COUNCILLOR R. FOWLER

As a Councillor of this Town, I feel duty bound to give an explanation of my action in Council on Monday, March 22. Since the judgement of Mr. J.S. Cormack, it has been my personal belief that the Town of St. Albert was entitled to a General Election replacing all those offices vacated by the judgement, and this

can only be done by a General Election. The motion I presented to Council on Monday evening was to table until the first meeting in April, the appointment of a Returning Officer which is the first step towards an election of any description - General or Special. The passing of this motion would have accomplished one of two things at best, legislation could be introduced between now and April 12th which would permit a General Election; at worst, a special election would be delayed three weeks only. My desire for a General Election stems from the following beliefs and facts:

1. No town should be left without an elected Mayor and full Council. The Town and Village Act permit an election

Letter from John Bakker continued from page 6

Part V: Elections) of the Town and Village Act and made the following orders:

1) That the Mayor, William J. Veness be removed from office and

2) That councillors J. Bakker, R. Kehling and R. McGee be removed from office and

3) That the voting on by-laws 39/64, 40/64, 44/64, and 50/64 is declared invalid.

On March 9, 1965 the Provincial Government pursuant to Section 64(1) b of the Town and Village Act appointed a councillor since the above judgement left the St. Albert Council without a quorum. Section 64 (1) b reads: "When, in a town or village, the number of councillors required by this Act has by resignation or otherwise been reduced to a number less than a quorum, the Minister may appoint some person or persons to fill the vacancies caused thereby, or may, for the purpose of filling the vacancies, direct that an election be held under this Act, and appoint a returning officer for that purpose."

On the agenda of last Monday's council meeting (March 22, 1965) was item (number 2b) of appointing a returning officer and setting a date for a special election. The Council has to call **FORWARD** a special election pursuant to section 62(4) of the Town and Village Act, which reads: "When a seat in the council of a town or village becomes vacant by death, resignation or for any other reason, the council shall forthwith fix a nomination day and appoint a returning officer to hold a special election to fill the vacancy, unless the vacancy occurs within the four calendar months immediately before the third

Friday of September in which case the election need not take place and...." Councillor Fowler asked that the item of the special election be tabled to the next regular council meeting (April 12, 1965) giving as reasons that there was still a possibility of a general election if the Legislature changed the Act. Mr. Edear, the councillor appointed by the Minister, pointed out that the Act called for the setting of a special election forthwith. His tabling motion being lost, Councillor Fowler walked out, depriving the Council of a quorum. The council was therefore unable to deal with the remaining 11 items on the agenda.

According to Section 251 (1) of the Act "The council shall act in the exercise of its powers and duties by resolution or by by-law" and according to section 252 "Except as otherwise provided, resolution or by-law shall be passed by a majority vote of the members of the council present at a duly constituted meeting of the council." There is no allowance made for a "Veto procedure" to be used by any of the council's members.

On what basis does Councillor Fowler think he has the right to thwart the majority vote of the present council? A Councillor when he absents himself from three consecutive regular meetings of council (section 63 (b)) would lose his seat. Councillor Fowler could therefore stay away until April 26, 1965 without being in danger of losing his seat on council and without council being able to hold regular meetings. On taking office a councillor makes the following oath: "I do swear that I will diligently, faithfully and to the best of my ability execute according to law, the office of Councillor for the

Town of St. Albert. So help me God." At present the law says that an election should be held forthwith. Let us wish that democratic procedures will be resumed and that Council's primary concern will remain the general benefit of the Town of St. Albert.

Yours truly,
JJ Bakker

An active weekend took place at the
Church in that the Triple M had its Mar-
meeting on Friday. Some 20 people at-
tended to hear Mr. Jack Shealey speak
on the preparation of wills and estates.
A question period and discussion fol-
lowed. The Family Day was discussed dur-
ing the business meeting. A dozen M-1
members and their 4 counsellors attended
a weekend rally in Westlock. Rev. Don
Parr of Edmonton was theme speaker. Be-
sides the discussion periods the group
shared in a program of bowling, dancing,
and a banquet was held. At the 11 a.m.
service the following were baptized by
Dr. Schwarz: Brent Alfred, son of Mr.
& Mrs. G. A. Robinson; Jeffrey Bruce,
and Susan Christine, children of Mr. &
Mrs. B. B. Haslam. Dr. Schwarz was assist-
ed at the service by Mr. H. Campbell.

held on Tuesday last. Main topic for
the series was the New Curriculum which
will be introduced into the Sunday
School this fall. Considerable enthu-
siasm for the proposed curriculum was
expressed, though it was recognized
that the new material will require care-
ful study by all the teachers. Promin-
ent in the thinking upon which the new
curriculum is based is the desire that
the whole family should form a "wor-
shipping learning unit". Experience
indicates, that, unless the parents
attend church regularly with their chil-
ren the process of christian education
is frustrated at its source. The in-
fluence of a pagan or apathetic home
rapidly destroys what little impact is
made on Sunday. The new curriculum,
therefore, is concerned with the parent
as well as the child.

RECREATION

FROM the RECREATION DIRECTOR

PARKS & RECREATION NEWS (Max Gibb,

The first in a series of articles and reports to be written by the Park and Recreation Department and published by the Gazette to keep the citizens of St. Albert informed as to the activities in our town.

Our thanks to the St. Albert Gazette for this public service.

Good schools, beautiful surroundings, lovely homes, proud people, and lots of children are only a few of the favorable attributes possessed by the Town of St. Albert, that make it quite unique and envied by surrounding towns and cities. The people of St. Albert take pride in their town and each individual hopes for a better and greater town in which to live for themselves and their family.

In accordance with this attitude, the town fathers established the Parks and Recreation Department. It is the purpose of this Department to make available opportunities for the development of the physical and mental well-being of all segments of the population during their leisure time, through the provision of leadership, program, and facilities, and to improve the appearance of the town environment. Being employed as Recreation Director for only a short period of time, I have noticed St. Albert to be a different town, a town with pride and good people. People are working to make St. Albert a place to live, to meet the future, to raise children, to say with pride "I live in St. Albert." There are many volunteer groups in St. Albert each desiring to contribute,

or is now contributing to the betterment of our town. However, unless we unite our efforts may be wasted. It is my thinking that to have a better town, a town for people, a good recreation program is necessary. In achieving this aim it is my job to become involved in all aspects of recreation. I see my primary job as a co-ordinator, to assist

and encourage organizations, clubs, and volunteers to sponsor all types of activity and where there is need, provide the deficit; for it is my concern to provide leisure time activity for all citizens regardless of age, sex, ethnic, religious, social, or financial status, and provide programs encompassing the total range of skill and ability of the participants all seasons of the year. In order to provide this total program it is necessary to find out what activity is being offered, who is taking part, who is instructing and what are the desires, needs, ideas, and talent of the citizens in St. Albert. Knowing this will aid me in doing my part as the Recreation Director.

Let's make St. Albert the best place for everyone to spend their leisure time.

If you are in a position to volunteer assistance of any kind, let us know by phoning 599-8623, or write Box 1708, St. Albert.

HIGH SCHOOL BOWLING

Paul Kane High School bowling teams recently took part in the Edmonton and District Bowling Championships. One Hundred eighty bowlers from 12 different high schools participated.

The boys team, consisting of Dolf Ryan, Gregor Lobbie, Stan Reganoff, Tony Harvey and Bill Lenihan came second with

4,40 pins. The mixed team, consisting of Eva Pohrnick, Philip Henry, Maryanne Shalagan, Gayle Brewster and Keith Ahronson also came second with 4,39 pins. Bill Lenihan placed first with a total of 1,720 pins for 4 games. He will take part in the provincial bowl off. There will be a roll off to determine the city team winners. The top 7 boy and 8 girl bowlers will compete against South and Northern Alberta in the Provincial finals.

all ages, from tots to grandmother. The children modelling were, as always, scene stealers. The models, all local residents, were trained by Mrs. Bonnie Suvan, professional model with The Irene Dalton Agency. Mrs. Suvan was presented with a bouquet in appreciation of her help. Fashions were courtesy of Simpson-Sears and the commentator for the evening was Mrs. Rouault. Door prize winners were Margaret Borle, Kathleen Byrne, Denise Bellan, Sharilyn Borle, Claudette Belley, Stella Jenner, Clara Wall, Mrs. Murray, Antoinette Montpetit and Lorette Belland.

Dollar Dress Sale: Chi Chapter of Beta Sigma Phi recently held a 'like new' dress sale in the Community Hall. All dresses were sold for the very reasonable price of one dollar each. The sale was a big success. It is hoped that this sale is the first of many. Proceeds will go to the local welfare department.

Left to right: Mrs. J. Simpson, Mrs. D. Royer, Mrs. J. Inair, Mrs. G. Moffat, Mrs. R. Hanson, Mrs. V. Ratchinsky.

CLUB NOTES: The St. Albert Women's Institute will meet March 30th at the home of Mrs. H. Grant, 25 Balmoral Drive. The meeting will be at 8:15. Roll Call will be 'Clothes for Unitarian Babies and Children'. Members may bring vests, diapers, etc. and mitts or sweaters for 6 years and older.

The Triple 'M' of the United Church met recently in the United Church lower hall. The evening's guest speaker, Lawyer R. Wheatly gave an informative talk on wills and estates. A social hour followed.

Chi Chapter of Beta Sigma Phi are in the 'rushing season' for new members. The season began with a rush party at

the home of Mrs. V. Jones, 16 Grandora Cres. Also part of the program of activities is a model meeting, this meeting will take place Wednesday, March 24, at the home of Mrs. D. Sinclair, 124 Grandin Road.

The Father Lacombe Chapter IOOE met March 16th at the home of Mrs. D. Odina, 53 Grandora Crescent. The Chapter are sponsoring the Cancer Society Daffodil Day in St. Albert. The 'Daffodil Girls' will be out with their gay yellow boutonnieres April 3rd. Mrs. Odina is convening the project. Plans were finalized for the chapter's annual 'Bouquet for Books' sale. Door to door canvassing for advance orders will take place May 3rd and 4th with delivery May 8th in time for Mother's Day. The Municipal Chapter IOOE are sponsoring a cooking show entitled 'Cuisine'. The show will have four presentations, the afternoon and evenings of March 29 and 30. All proceeds are in aid of the Crippled Children's Easter Seal Campaign. Tickets available from members or call 599-7246 or 599-7189.

St. Albert Glee Club: will meet Wednesday, March 31st at the home of Mrs. Dave Gervais, 2 Mill Drive at 8 pm. New members are welcome.

PRENATAL CLASSES: Sturgeon Health Unit is planning another series of classes for expectant mothers. These classes will commence when we enrol 8 people. The classes will be held on Wednesdays from 1:30 pm to 3:30 pm for 8 weeks. These classes are intended for the pregnant woman who is interested in knowing the background information so essential for healthy family living. During these classes we will discuss such topics as: Anatomy and Physiology, Nutrition and weight gain, Childbirth, Growth and development of the baby. One half of each class is devoted to demonstrating and practicing relaxation and breathing techniques. These techniques are designed to contribute to your well being and comfort during pregnancy and delivery. Any expectant mother who is three months pregnant or more, please phone the Health Unit for further information. 599-7545

ANNUAL MEETING

St. Albert School District #3

In the past year your Board has endeavoured to raise the quality and scope of education without increasing the tax burden of the individual property owner. The financial statement will not be dealt with in detail in this report, however we believe that sound judgement on control of expenditures has been exercised in view of the \$1,702,60 deficit on the total budget of \$421,009.00. It is of interest to note that at the end of 1964 the statement shows a net surplus of \$7,927.76, a tribute to those Trustees who have served the district since its inception in 1958.

Your Superintendent and Board recognized the need of high school students interested in following a vocational rather than matriculation program, and negotiated a long term agreement with the Edmonton Separate School Board, whereby students entering Grade XI may elect to enter St. Joseph's Vocational High School in a program suited to their interest. In effect, this gives our students the same opportunity as those in a much larger district. Under present Foundation Program Fund Regulations our district must pay nearly one-half of the cost of transporting vocational students to Edmonton. We have approached the Department of Education for financial assistance in this regard and are hopeful that the new regulations, soon to be announced, will provide additional revenue.

Centralized libraries have been established in our larger schools in this term which should enrich the education of our children and enable more efficient use of reference texts. Much credit is due to Mr. Maloney for spearheading this worthwhile service and especially to Mrs. Miciak, our librarian, who spent many hours creating three central libraries in record time.

The position of a Reading and Guidance Consultant was created in September, 1964, however, the combined task is apparently too great for one specialist. Therefore, the Board has approved in principle the hiring of a Child Psychologist jointly with the Protestant Separate School District No. 6, whereby the

services and cost would be shared equally by both districts. The cost of this service has been placed in the budget estimates for 1965-66 for appraisal by the Board.

In line with our aim of excellence in education and co-operation with neighbouring districts, Mr. Maloney and Dr.

Proudfoot, organized a joint Language and Mathematics Seminar last fall which was well attended by teachers from both districts. In view of proposed changes in secondary science courses, Mr. Soprovich participated in a Science conference at Banff on September 17-20. Your Trustees have taken short courses in School administration so they may better serve your district. Mr. Maloney and Mr. McDonnell have represented your Board on the Joint Use Committee for more efficient use of recreational facilities within our Town. Also we have participated in conferences on Edmonton Television for Edmonton and surrounding areas.

In your Board's view, the controversial school site question in Grandin Park was resolved equitably and to the satisfaction of all parties. This enabled construction of the Albert Lacombe Elementary School which opened November 1, 1964. It has eight standard classrooms and provision has been made to expand to sixteen when the need arises. Part of the ten acre site will be landscaped this year, and for the information of neighbouring residents, it is not the intention of the Board to clear all of the natural trees. During 1964, St. Albert continued to grow but at a much slower rate than over the last five years. One might conclude that the demand for classroom facilities would lessen, however, because of the high proportion of young families with pre-school age children, the need for additional elementary classrooms continues. An increase of 6 or 7 rooms is anticipated for September 1965, will fill our schools to capacity, so additional space will be required in September 1966. Because of the curriculum changes in secondary education and the importance of this phase of our children's education your Board is planning a new high school to be opened September 1966. The

Present high school will be converted to an elementary school to serve Mission Park. After much planning the curriculum and functional areas have been determined and our certificate of need was presented to the School Building Board early this week. We hope to turn the sod on this project in August of this year on a 20 acre site, west of the new Youville Home.

The lack of growth and teacher demands for higher salaries will certainly mean an increase in the mill rate this year. Last year the Town's contribution to the Foundation Program Fund of 26 mills on the equalized assessment equated to 20.90 mills actual tax. This rate will increase by two or three mills this year. Last year our supplementary requisition amounted to 8.10 mills. Whether or not this rate can be maintained depends on changes in Foundation Program Grant structure and the outcome of salary negotiations with our teachers. The Board wishes to thank our teaching staff for their co-operation in maintaining a high calibre of education in our district. We feel confident that this attitude will continue in the future.

Respectfully submitted on behalf of the Board of Trustees, St. Albert School District No. 3.

Dave B. Fraser,
Chairman
